

## **PRESIDENT'S UPDATE NO.9 AUGUST 2017**

**Greetings!**

**LATE NEWS: Scorecards can be picked up from Bowls SA from Thurs 7<sup>th</sup> Sept.**

**1. AGM Salisbury Bowling Club 27<sup>th</sup> August.**

A well represented meeting with a number of extra people as observers.

A special welcome to all the new Presidents.

**2. Executive Committee Elections.** The following were elected for two years.

**Vice President:** Peter Walter

**Committee:** Steve Franks; Bob Scholefield and Lesley Slattery.

Thanks to Anne Phillips who has been with the formation of the MBA since the early meetings with Regional Councillors.

**3. Constitution.** The new constitution was passed. In the future all official positions will be elected from within the Executive Committee.

**4. Three Year Plan.** To avoid ad hoc decisions being made annually, we are seeking to draw up a plan for the development of Metro Bowls. All clubs are asked to consider the future, consult with their members and be prepared to bring their ideas in mid- January to our next meeting. Plenty of notice!

**5. Meetings.** We are suggesting three meetings a year for the MBA:

**January 2018-** A review meeting for open discussion and gathering of ideas for the following season. This will be held somewhere in the southern area.

March 31<sup>st</sup> will be the closing date for all proposals.

**April 22<sup>nd</sup> AGM MBA.** This will be the regular time in the future.

**September** Presenting the structure for the 2018-19 season.

**6. Pennant Changes.** The main item discussed was the change from 25 to 21 ends. Nine clubs expressed their concerns about this decision.

**7. Team APP.** Team App is a free addition to your smart phone apps - team app has a feature that allows rapid distribution of news, information, results etc. from an administrator and also sharing from user to all other users - clubs are encouraged to have some key communicators add the Metro bowls team app to their phone so that we can see how useful it might be.
