Beaumont Bowling Club Newsletter No. 55 – June 2020

Dear Members

It was great to have a Board meeting on Monday night and discuss our AGM, Presentation Night, etc. A sign that things are slowly getting back to normal.

Annual General Meeting / Presentation Night

Get your diaries out because our AGM is going to be held on **Friday July 17** and this will be followed by our Presentation Night. It will be nice to acknowledge our champions and runners up given the championship games were quite a while ago. Nomination forms for the Board are now out along with the announcement about our AGM which we must do to follow our Constitution. All our reports will be going to Bob Scholefield by July 3 and you will be emailed a copy once they have all been collated.

Details about the night will be out later.....it would be terrific to have a big crowd to show support to our hard-working Board who have continued in their role during the COVID-19 period.

Chair of Selectors

Congratulations to **John Binks-Williams** who has been selected by the Board as your new Chair of Selectors.

Bowls Stickers

The Board has decided to replace our bowls stickers and rather than have a sponsor on them there will be the words '*Club of the Year 2018/19*'. All members will be given a set, so we are ready for the pennant season. Think of the envy when other bowlers see them!

Pennant Availability Form

Have you filled your Pennant Availability Form in yet? There are copies on our communication ledge and a box for your returns. I know they are **due by July 7** but the sooner they come in, the sooner we can get a picture of what the pennant season will look like re the number of sides we can establish.

New Member

A b-i-g welcome to **George Wator** who has become a member of our club. Many of you know George as he has been a regular night owler and filled in on pennant days over a few years.

Facilities

Our new Honour Boards are currently being manufactured along with our Greens signage (A, B and C). If you played social bowls you would have also seen our new wind flags for our greens. These will help us read the direction of the wind and make us even better bowlers. They were purchased with an anonymous donation. Thank you.

Pennant Season

Given the pandemic and the inability of the Metropolitan Bowl's Association (MBA) to have an AGM, the length of the pennant season will remain the same for 2019/20. This we heartily endorse. The MBA's AGM has been scheduled for Sunday August 2 and changing the length of the season will be on the agenda for the following year. We had a 99% endorsement from you that we do not support any change to the number of games we currently play.

Keep warm.....

Leonie
