

BEAUMONT BOWLING CLUB

To All Pennant Bowlers

Our Selection Policy was again reviewed in 2020/21 and this policy is current for our new season. All selectors in our club will operate under this policy.

At this stage it is anticipated that there will be four sides on Wednesday, three sides on Thursday and five sides on Saturday.

Our Selection Policy states:

- Selectors for each side are to be elected for a two-year term
- Selectors appointed to a particular side do not necessarily have to play in that side

It is preferable that Selectors will have played at least five (5) pennant games in the previous season.

The selectors that are elected will be responsible for Wednesday, Thursday, and Saturday pennant selection panels.

If you wish to nominate to be a Beaumont Bowling Club Selector for any of the above pennant selection panels, please complete the section below and:

1. Return it to our assistant secretary (Mike Miller) –no signature required.

OR

2. Place the form in the secretary's tray in the Clubroom Office or the box allocated on the communications ledge. Spare copies will be on the communication ledge.
